**THE HOPE FOR CURING
THE CANCER HAS A NAME:**

GUSTAVE ROUSSY

Ranked **first in Europe** and **fifth in the world in the fight against cancer**, **Gustave Roussy** is a global center of expertise entirely dedicated to cancer patients. Source of therapeutic innovations and diagnostic advances, **the Institute welcomes nearly 50,000 patients each year** and develops an integrated approach between research, care and education. **Expert in rare cancers and complex tumors**, **Gustave Roussy** treats all cancers, at all ages of life. He offers to his patients personalized care that combines innovation and humanity, in which care is taken into account as well as physical, psychological and social. With **3,200 professionals** spread over two sites, Villejuif and Chevilly-Larue, **Gustave Roussy** brings together the expertise essential to high-level cancer research; a quarter of the patients treated are included in clinical trials. - **For each donation not linked to a raffle ticket, French participants will receive a certificate for claiming tax relief.**

LA C.S.N.B.

THE UNION CHAMBER NATIONAL SHOEMAKERS OF FRANCE

Since 1879, the Chambre Syndicale Nationale of shoemaker(CSNB) has worked on a daily basis to preserve and develop all the know-how of the shoemaker corporation of France. Through its actions, it contributes to the influence of this recognized craft industry. The CSNB also aims to unite the Houses around the youth profession in order to perpetuate know-how, tradition, innovation and passion

<< Without passion, the job of shoemaker does not exist. >>

THE BOARD MEMBERS OF THE C.S.N.B. :

"We, professional men and women, must put our know-how to the service of the cited.
By raising funds for research and the fight against cancer, tomorrow we will look
at the tips of our shoes differently"

Eric Devos, Best Craftsmen of France, shoemaker 1997
